Col. A. B. Watson of Saluda, was in town Saturday. He brought us some of the "root." Mr. Fallow is a successful fruit grower of that section. One of the hushers!

Mrs. C. E. Vandusen, of Kibbourn, Wis., was afflicted with stomach trouble and constipation for a long time. She says, "I have tried many preparations but none have come me the good that Chamberlain's stomach and liver Tablets have." These Tablets are for sale at Gunter's Drug Store.

April fool day was about as usual, save the appearance of several little girls comically dressed, taking in the town with hideous faces. Their appearance was greeted with laughter and applause on all sides. Many larger ones would like to have had a place in the picture.

Col. A. B. Watson has purchased a grand piano from Peter Brenner, the Augusta music dealer. It is indeed a handsome instrument. It could not be otherwise when sold by such a reliable man.

The Augusta Housefurnishing Co., have an "ad" in this issue, which we direct to call special attention to. This Company is composed of substantial business men. Their salesmen are as courteous and gentlemanly as can be found anywhere. You will receive proper treatment at their hands. Their stock of goods is immense, and we heartily commend to any of our readers their firm for bargains. Before you buy anything in their line, get their prices.

George W. Waitt, of South Gardner, Me., says: "I have had the worst cough, cold, chills and grip and have taken lots of trash of no account but profit to the vendor. Chamberlain's Cough Remedy is the only thing that has done any good whatever. I have used one bottle of it and the chills, cold and grip have all left me. I congratulate the manufacturers of an honest medicine." For sale by Gunter's.

Rev. Lewis of Warrenville, is spending some time in this community with relatives.

See change in Glover's "ad" in this issue. His stock is complete with new Spring Goods, at prices that will sell them quick.

The stomach controls the situation. Those who are hearty and strong are those who can eat and digest plenty of food. Kodol Dyspepsia Cure, digests what you eat and allows you to eat all the good food you want. If you suffer from indigestion, heart burn, belching or any other stomach trouble, this preparation can't help but do you good. The most sensitive stomachs can take it. Gunter drugist.

Prof. Eugene Unger, of Emory, was in town to shake hands with the great host of people. Mr. Unger is one of the best teachers in the County and his services are much in demand.

The news of the death of Mr. J. W. Banks of Saluda county, was a great surprise to our people generally. He was here only a few days ago and called on us in our office. He had many friends throughout the county, who had shown their confidence in him, by making him Saluda's first County Supervisor. During his last visit to our town, he manifested no sign of sickness, but seemed jovial as ever in his manner.

Congressman Stokes has been for distribution, as will be seen from the following letters:

Dear Editor:-

Will you kindly say through your paper that I have still on hand a few packages of vegetable seed. I will send a package to any one who has not received any on receipt of the name and address, as long as the supply lasts. First come, first served.

Very Truly,

J. Wm. Stokes.

The only and original Col. James T. Bacon of Edgefield, spent some time in our town last week. Col. Bacon is the most unique character in South Carolina's journalism—known far and near as one of the few survivors; knights, which honored our South-Land before the war. We count it a privilege to be in Col. Bacon's company at any time.

Money to Lend.

Mr. Taylor has moved his family to Graniteville, where he is engaged in the turpentine business. He will come back to us next fall.

Mrs. J. J. Keefe, nee (Miss Lela Miller) died Friday night, March 29th, in the city of Columbia. She was laid to rest in the cemetery of Rocky Grove church, near Salty's, last Sunday afternoon. She was a sister of Mr. Walker Miller of our town.

Mr. J. P. Borchardt of Waris, who is extensively engaged in the lumber business at that place, came down some days ago to see his old friends in this section.

Assistant Attorney General U. N. Gunter was in Barnwell a couple of days last week. This was Mr. Gunter's first visit to our town. He was impressed with Barnwell and Barnwell was very favorably impressed with him.—Barnwell Sentinel.

A very serious accident happened to young Eldon of this town while working at the planing mill. It seems as if he put his foot against the bits of the planer, which caught it in some way and crushed it so that a part of it had to be amputated. Dr. Mitchell performed the operation. Mr. Eldon is doing very well at present.

"X" as he is known in all this section, makes a favorable impression upon all with whom he may come in contact. Good natured with a kindly feeling for all; it could not otherwise be the case.

Mr. Peter A. Brenner of Augusta, Ga., spent Monday and Tuesday in our town. Mr. Brenner is not only a fine musician, but a trained piano builder, having built pianos for the famous Sternway people six years, besides being from a family of musicians and piano builders. We can conscientiously say of him that he is a thoroughly reliable, and efficient gentleman.

This only shows the uncertainty of life. None know what the future has in store for us. To-morrow cannot be secured, to day only is ours, which if lost, is lost forever.

A Good Cough Medicine for Children.

"I have no hesitancy in recommending Chamberlain's Cough Remedy," says F. P. Moran, a well known and popular baker, of Petersburg, Va. "We have given it to our children when troubled with bad coughs, whooping cough, and it has always given perfect satisfaction. It was recommended to me by a druggist as the best cough medicine for children as it contained no opium or other harmful drug." Sold by F. B. Gunter.

It Is Sheriff Ridgell.

The primary election came off last Saturday as scheduled. A great deal of interest being manifested all over the county. The friends of the two candidates working like beavers for their favorite. No fights or rife-shooting incurred, which speaks much for the people of Saluda. We think it the right and proper thing for every white voter to go to the polls and cast his ballot for the man he desires to see elected. The present campaign has been conducted with diligence and earnestness. We have heard of no low and dirty trickery on the part of any candidate, either of whom would make a most acceptable officer. Batesburg seems to feel as much interest in the election, as if we were in the county. A goodly number of our citizens contented that our entire town should be with the brethren across the line. However, will not discuss this now. We congratulate Sheriff Ridgell most heartily on his victory and wish for him a peaceful term of office. That he will be a terror to evil doers, all who know him will admit. We endeavored to get all the boxes but could not, but the executive committee has awarded the prize to J. A. Ridgell, by a majority of 42 votes.

NEW YORK RACKET STORE.

Un-der you are one of those people who have money to throw away come and examine for yourself our mammoth spring stock. Its magnificent completeness in every department. There is no bluish on anything except the prices. It's an "aristocratic" stock, bought by experts, with the ready eye on a "busted" market. If you have money that you don't need buy from us. The difference goes to charity. We are bringing bombshells of bargains that carry riot and confusion into the ranks of the "old timers"—joy and peace, into the homes of our customers; who are among the best people of the five counties, tributary to our town. Our opening announcement brought people to our store, that have not visited the town in four years. The new prices, beautiful styles, and large stock have involved our Millinery department in a movement that is stupendous. The thrifty poor, and prudent rich, are, and should be, personally and supremely interested in the selling values we are offering in this department. The artistic designs and dainty conceptions of our artist Milliner, Miss Carter is truly wonderful. The low prices at which we are offering this stock would surpass a regular Millinery department. Why pay \$5.00 when \$1.80 buys it? If ours isn't as good or better don't buy—Quality talk—prices talk—we are not given with, neither do we bore you with gab.
